OBJECTIVE

As a motivated MCA graduate, I possess solid programming skills in Java, C, and SQL, with a keen interest in software development. I am passionate about solving real-world problems, collaborating in team settings, and am actively seeking internship or junior software developer opportunities to grow professionally and contribute meaningfully.

SKILLS

Programming Languages: Python, C, C++

Web Technology: HTML, CSS

Databases: SQL, MS Access

Tools and Platform: Git, Visual Studio

Soft Skills: OOP, DBMS, Networking

PROJECTS

Business Event Management System (BEMS)

Visual Studio, MS Access 

- Desktop app for tracking business events with CRUD and reporting.
- Data handled via MS Access with multi-team support.

Portfolio Website

HTML, CSS, JS 

- Designed and developed a fully responsive portfolio website using HTML, CSS, and JavaScript.
- The site showcases my skills, projects, and contact information in a clean and professional layout
